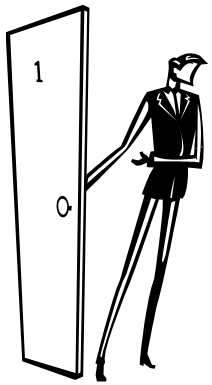
Session Etiquette

Please turn off or set all cell phones/pagers to vibrate.



If you must leave this session early, please sit at the back of the room and do so quietly.

Please avoid side conversations during this session.

GeorgiaBEST Update

Always bear in mind that your own resolution to succeed is more important than any other one thing.

Conversion by Example

Credits earned under the quarter system are to be converted to semester credits by dividing the number of quarter credits by 1.5. A student who has earned 60 quarter credits will have earned 40 semester credits:

quarter credits divided by 1.5 semester credits

$$60 \div 1.5 = 40$$
