We all need help every now and then

Problems are just a part of everyday life. In addition to the benefits provided under your MetLife Group Insurance coverage, you and your household members will have access to an Employee Assistance Program (EAP) beginning on January 1, 2018. This program provides you with services to help with the everyday challenges of life that may affect your health, family life and desire to excel at work. **EAP services will be provided by a third party, LifeWorks US Inc., under an agreement with MetLife.**

Consultation and support

You and the members of your household are entitled to up to **5 consultations with a licensed clinician per issue, per individual, per calendar year.** You choose between in-person sessions with a provider from LifeWorks’ extensive network or convenient and easy telephonic consultations with a licensed LifeWorks clinician. Answers to frequently asked questions

Are EAP services confidential?
Yes. LifeWorks is required to comply with state and federal laws governing the confidentiality of your personal information.

When should I seek help?
The right time to seek help for a problem is as early as possible, before the problem becomes critical. EAP services can be accessed through a dedicated toll-free number 24 hours a day, 7 days a week.

How do I get help?
You can call 1-888-319-7819 to arrange for your EAP services. You will be deemed to have used up one of your consultations if you fail to cancel an appointment at least 24 hours in advance, unless the appointment is missed because of an emergency or circumstances beyond your control.

Will I have to pay for services?
No! Your employer pays for EAP services. There are no co-payments, co-insurance or deductible payments, and you will not be liable for any fees covered by your employer’s EAP under any circumstances. If you decide you want services not included in the EAP offered by your employer, you will have to arrange and pay for them separately.

Do I have rights under the Consolidated Omnibus Budget Reconciliation Act (“COBRA”)?
For information about COBRA rights, contact your Human Resources Department.

Does the EAP offered by my employer have any limitations?
EAP services do not provide:
• Inpatient or outpatient treatment for any medically treated illness
• Prescription drugs
• Treatment or services for intellectual disability or autism
• Counseling services beyond the number of sessions covered or requiring longer term intervention
• Services by counselors who are not LifeWorks providers
• Counseling required by law or a court, or paid for by Workers’ Compensation
