USG Hospital Indemnity plan: new for 2017

Hospital stays are rarely an enjoyable experience. Costs can add up quickly — medical bills; travel, food and lodging costs; plus, the day-to-day expenses that don’t stop while you’re in the hospital.

The financial pressures can be overwhelming. That’s where the USG Hospital Indemnity plan can help.

What is the USG Hospital Indemnity plan?

The USG Hospital Indemnity plan, offered by Voya Financial, pays a daily benefit if you have a covered stay in a hospital,* critical care unit or rehabilitation facility. The benefit amount is determined by the type of facility and the number of days you stay.

This is a limited benefit policy. The USG Hospital Indemnity plan is not health insurance and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.

* A hospital does not include an institution or part of an institution used as: a hospice unit; a convalescent home; a rest or nursing facility; a free-standing surgical center; a rehabilitative facility; an extended care facility; a skilled nursing facility; or a facility primarily affording custodial, educational care, or care or treatment for persons suffering from mental diseases or disorders, or care for the aged, or drug or alcohol addiction.

- Hospital: $100 per day, up to 30 days confinement
- Critical Care Unit: $200 per day, up to 15 days per confinement
