SUBJECT: Budget Prep Modifications Applied

POSTED: March 20, 2012

ANNOUNCEMENT

As a result of the successful Georgia*FIRST* PeopleSoft Release 2.30 this past weekend, key modifications regarding the use of the new pay groups (pay groups J, V, and X) in the Budget Prep module have now been applied. All Budget Prep users may begin processing in PeopleSoft Financials for the 2013 Budget.

The Budget Prep process remains unchanged from last year despite these enhancements. Therefore, ITS will not hold live Budget Prep training this year. However, an updated *Budget Prep User Guide* will be distributed via a listserv announcement and available on the Georgia*FIRST* website by Monday, April 2, 2012.
