Classification of Users in 8.9

Financial Developer

- # Local SQR, Crystal, or nVision reports
- # Oracle Tables via SQLplus

Workstation Compatibilities 8.9

- # “Official” PeopleSoft Supported OS
- # Supported OS Web Browsers

“Official” PeopleSoft Supported OS

- # Windows XP Pro
- # What about Vista?
- # Mac 10

“Official” PeopleSoft Supported OS

XP Professional

- # All end user types
- # Especially Developers
- # IE Version 7.x
- # OIIT will support IE 6.x

“Official” PeopleSoft Supported OS

Vista

✦ Only for Self Service user

No Developer, No Core Financial User

✦ IE Version 7.x

“Official” PeopleSoft Supported OS

Why not IE 6 with Vista?

“Internet Explorer 6 will not run under Vista”

- Matthew Braun (MSFT)

<http://forums.microsoft.com/MSDN/ShowPost.aspx?PostID=985562&SiteID=1>

“Official” PeopleSoft Supported OS

Mac OS X

⌘ Only for Self Service user

No Developer, No Core Financial User
