

Known Issue: KI9.2-71_PO – Unable to Create Amount Only PO via Express Purchase Order Page

POSTED: December 1, 2017

STATUS: Active

Following the 5.30 release, applied December 1, 2017, an issue has been found that prevents users from creating an Amount Only Purchase Order via the Express Purchase Order page (Add/Update Express POs menu). If the Amount Only check box is selected, the Purchase Order is unable to be saved and a message is displayed. In order to successfully save an Express PO, the Amount Only box must be unchecked.

Functional Workaround:

Until this issue is resolved, all Amount Only Purchase Orders must be created via the Purchase Order page (Add/Updates POs menu).

Estimated Resolution:

This is a known Oracle bug and is scheduled to be resolved in the Fall 2018 release.
