

GENERAL INFORMATION

Purpose These Release Notes are to inform PeopleSoft Financials technical staff and functional users of the interim security update of BOR functional application enhancements.

Model Changes None

PREREQUISITES

Technical None

Functional None

TECHNICAL IMPACT

Database This interim security update will be applied to Group 1 Production databases during the normal maintenance window between 11:00 pm on Thursday, September 11, 2008 and 7:00 am on Friday, September 12, 2008. This will not require additional downtime as regular releases do. Your Production database will be ready for access at 7:00 am on September 12.

- **NOTE:** It is highly recommended that all users clear their browser cache often, especially after an update is applied to their Production databases.

MODULE-SPECIFIC INFORMATION

SECURITY (SC)

MENU/SECURITY CHANGES

BOR_PO_SETUP_CONFIG Added Permission List PO_ESTBU_USENZ, and attached it to role BOR_PO_SETUP_CONFIG. This allows the users to access the **Purchasing Options** tab under Setup Financials Supply Chain, Business Unit, Purchasing, Purchasing Options.

USOONLY Updated the USOONLY User profile with the necessary roles for USO to perform the Hard Close Process.

OTHER NOTES

General Information This update will be applied to Group 2 Production databases when they Go-Live! in October.

Next Scheduled Release The next PeopleSoft Financials Release is currently scheduled for December 2008. You will receive a reminder of when this upgrade will occur.

*More Information
and Clarification*

For more information/clarification regarding this OIIT maintenance or schedule, contact the **OIIT HELPDESK** at http://www.usg.edu/customer_services (support request self-service) or e-mail Helpdesk@usg.edu. For emergency, business interruptions, or production down situations, call the **OIIT HELPDESK** immediately (706-583-2001, or toll free within Georgia 1-888-875-3697).
