HOPE Eligibility Form (ZHAHOPE)

- The form was modified to include Zell Miller Scholarship Semester Hours on the "Paid Hours" tab.

Recommended Business Practice

- HOPE Enhanced Disbursement process (RPEDISB) uses Paid Hours from GSFAPPS, to determine whether a student is at his/her Cap Hours for HOPE/Zell/HOPE Grant.

- It is recommended that campuses run ZHRAPPS/ZOPAPPL once per semester, PRIOR to Disbursement. (The HOPE Invoicing Process creates more Paid Hours on GSFC's system.)

- If it becomes necessary to run the GSFAPPS processes after Invoicing for the term, Paid Hours will need to be manually verified (for students at or near their Cap Hours) for Disbursements after that point.
