ICAPP Project Directors can connect your prospect with the best mix of resources from Georgia's 35 public colleges and universities.

Helpful project information includes:

- Prospect background—industry sector, products and/or services
- Proposed project—size, type of activity or operations considered, and ramp-up schedule

Project requirements:

- Recruitment of college-educated talent
- Detailed description of the talent pipeline*

Customized and accelerated education and professional development

Access to faculty and research expertise

- Eminent Scholars
- Faculty subject matter experts
- Research centers

Shared use of equipment and facilities

Technical assistance for commercialization and business operations

Key info needed:

Number and type of job positions requiring specific degrees or expertise

Critical workforce skill sets or certifications

Areas of research interest

Equipment specifications or facility features related to research and development

Specific commercialization and/or operational areas of interest

USG has:

- Pipeline of 270,000 students
- Career center on each campus
- Intern and co-op opportunities
