STATE OF GEORGIA
CONSTRUCTION MANUAL

Regional Meetings

Please join representatives from GSFIC, and BOR, as they roll-out and introduce participants to the electronic version of the State Construction manual. In these meetings we will:

- Demonstrate how to electronically access the manual
- Discuss the purpose and intent of how the content of the manual is organized (based on our original goals)
- Demonstrate how to download it from the website
- Request that interested parties review for content, completeness, and "*ease of use*"
- Invite participants to submit feedback online
- Notify everyone of the December 15th deadline for submissions

Please mark your calendars and join us at one of the dates and locations listed below:
