

Connectivity Committee of the Student Advisory Council to the Board of Regents

Presented by Eddie Lee Lovett Jr. of
Middle Georgia College

Connectivity Committee

- ◆ If you would like to have a copy of the Student Regent letters please visit www.georgiastudentopinion.com

Connectivity Committee Goals

- ◆ To enhance the line of communication between the University System of Georgia students and the Board of Regents

Objectives of the Connectivity Committee

1. To ensure that at least two Student Advisory Council members attend each Board of Regents meeting.
2. To continue researching the feasibility of getting more students involved and invested in the Board of Regents with the hopes of one day having a voting Student Regent(s).
3. Explore opportunities for Student Government Presidents to meet with their respective geographic Regents.

Objectives of the Connectivity Committee Committee

- ◆ To ensure that at least two Student Advisory Council members attend each of the Board of Regents meetings.
 - Anu Parvatiyar of the Georgia Institute of Technology and Eddie L. Lovett Jr. of Middle Georgia College attended the January Board of Regents meeting in Atlanta, Georgia.

Objectives of the Connectivity Committee Committee

- ◆ The upcoming Board of Regents meetings are as follows:
 - the 12th and 13th of February in Atlanta, Georgia (Board Room).
 - the 18th and 19th of March in Atlanta, Georgia (Board Room).
 - the 15th and 16th of April at Columbus State University (50th Anniversary year)
 - the 10th and 11th of June in Atlanta, Georgia (Board Room)

Objectives of the Connectivity Committee Committee

- ◆ To continue researching the feasibility of getting more students involved and invested in the Board of Regents with the hopes of one day having a voting Student Regent.
 - A number of Student Regents from other states have been contacted and many of them have been in support of having a Student Regent.
- ◆ If there are any particular questions that you would like for us to ask please let us know.

Objectives of the Connectivity Committee

- ◆ Explore opportunities for Student Government Presidents to meet with their respective geographic Regents.
 - At the last meeting we passed out information containing contact information of each of the Regents along with the schools that they represented (according to the respective districts).
 - We asked that the schools in each district come together and schedule a meeting with their Regent.
 - If you would please contact your Regent and let us know how these meetings go.

Connectivity Committee

- ◆ This will conclude our presentations.
