

How much funding is your institution receiving or how much money is allocated for RPG?

What area (i.e. faculty, departments, tutoring, advising, etc) is the funding being used?

What specific initiatives has your institutions implemented and how are they tracking the success of these programs?

Compare the retention rates from FALL to FALL of three academic years from 2003-2004, 2004-2005, 2005-2006, and/or 2006-2007 (if available).

Who is in charge of tracking and recording RPG information?
