# TCSG Strategic Initiatives

7

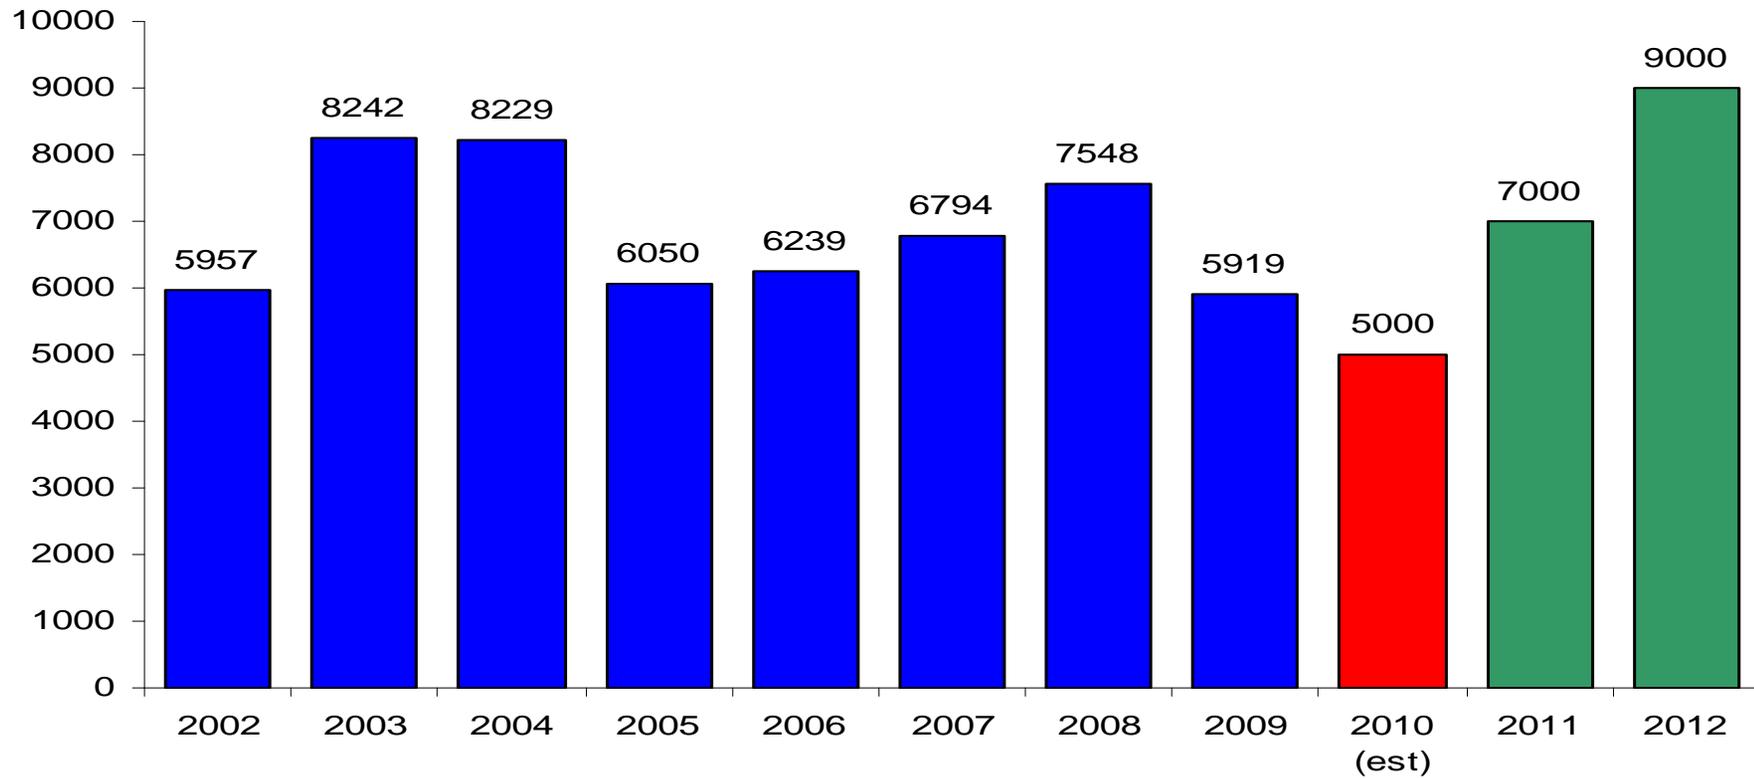

- 2008 Leadership Summit:
  - By 2012, TCSG will double dual enrollment to serve 15,364 students
  - This figure represents nearly 8% of the 11th and 12th grade population
  - To achieve this goal, TCSG would need to enroll over 9500 additional students in the next two years
  
- 2010 Goal Adjustment:
  - By 2012, TCSG will nearly double dual enrollment to serve a total of 9,000 students.
  - Requires 3,620 more students .
  
- 2011 HOPE Changes
  - Presidents can waive the 10% payment
  - Book Grant for DE Students
  - Lending Libraries & Book Sets

# Seamless Education HB 186 – Section I (7)

8

- Every state education agency, postsecondary institution, and local school system should provide all high school students with opportunities for accelerated learning through dual credit coursework leading to at least six postsecondary credits and have as a collective goal to graduate every student with postsecondary credit

# The Challenge: 9,000 Dual Enrolled by 2012

Colleges

# ACCEL

High School students take courses from a postsecondary institution while still enrolled as a high school student and receive credit at both the high school and postsecondary institution for core courses.

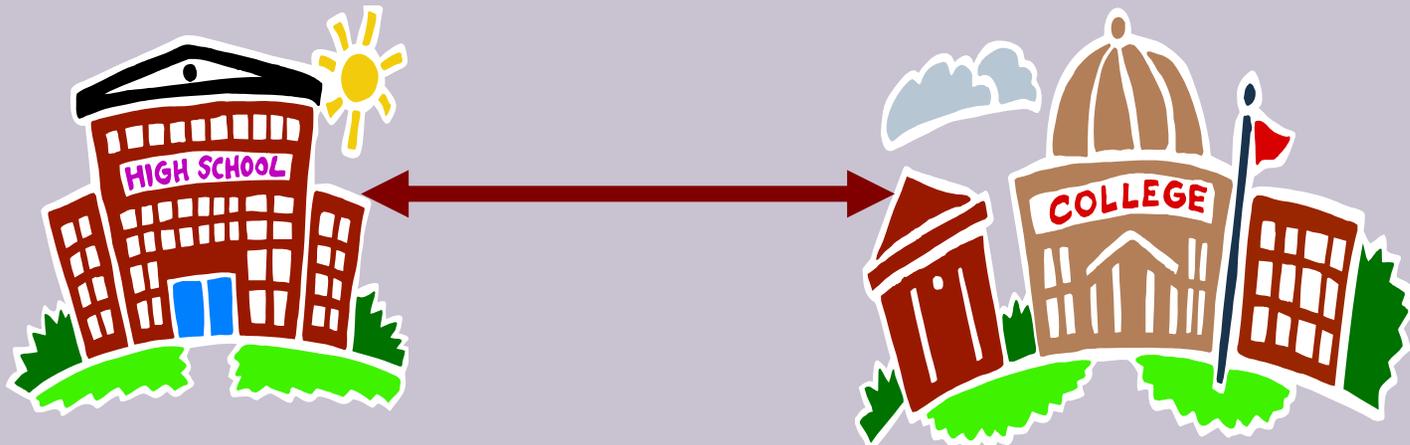

## Funding Options

- ▣ ACCEL
- ▣ State Funding
- ▣ Student Self Pay

# Articulated Credit

An articulation agreement is established by institutions to aid in a seamless transition without repetition of coursework already mastered in high school. Student will successfully pass the college exemption exam and matriculate to receive credit.

# Dual Enrollment

High School students take courses from a postsecondary institution while still enrolled as a high school student and receive credit at both the high school and postsecondary institution.

## Funding Options

- ▣ HOPE Grant
- ▣ FTE funding for Schools
- ▣ Student Self Pay

# Joint Enrollment

High school students take courses at a postsecondary institution while still enrolled as a high school student and receive college credit only at the postsecondary institution.

## Funding Options

- ▣ HOPE GRANT
- ▣ Student Self Pay

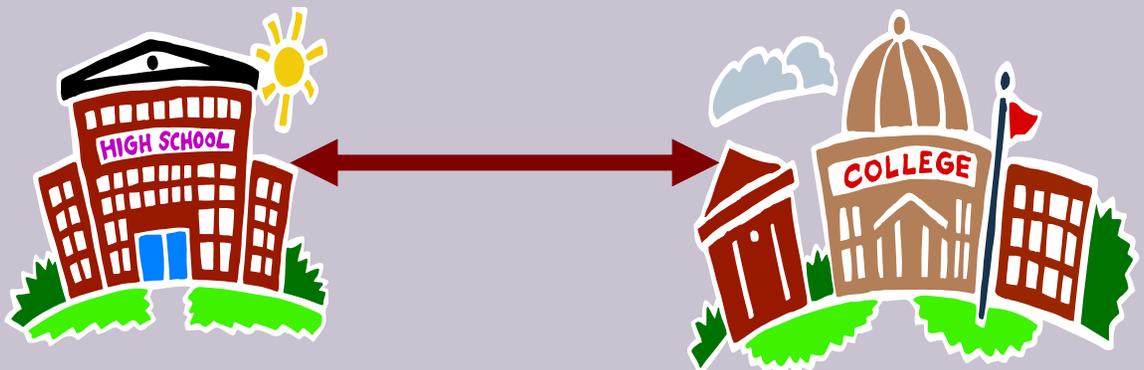

# Move on When Ready

High School Juniors and Seniors satisfy high school graduation requirements while enrolled full-time at a postsecondary institution.

## Funding Options

- ▣ State FTE

*"Business and industry want college graduates to show them more than just a piece of paper. They're looking for problem solvers. My technical college education gave me the skills that employers demand."*

Toby H.  
TCSG graduate

He enrolled in a TCSG college while still in high school. At 19, he took his first job earning \$52,000 a year.

He found the fast track to success. It begins with a Georgia technical college education.
