

## **List of programs that are no longer a part of the Georgia Academic Common Market**

### **Effective Fall 2023**

Note: Students who have been certified for the Georgia Academic Common Market and enrolled in their programs by Fall semester 2023 will continue to be eligible as long as there is no break in their enrollment and they do not change majors.

Students who are certified for fall 2023, but delay their enrollment until spring 2024 or later will not be eligible for participation in the Georgia Academic Common Market.

- Clemson University - Clemson is withdrawing from participation in the Georgia Academic Common Market at the undergraduate level effective Fall 2024. No new students will be admitted to Academic Common Market programs at Clemson University.
