APPENDIX H
PUBLIC PRIVATE PARTNERSHIP PROCUREMENT PROCEDURES

PURPOSE
The purpose of these Procurement Procedures ("Procedures") is to establish procedures for the procurement of services for public private partnership ("P3") ventures by the Board of Regents of the University System of Georgia (the "BOR").

DIRECTIVES
Compliance with these Procedures is required. However, in the BOR's sole discretion, no proceeding under these Procedures will be voided because of a minor technical failure of compliance that the BOR determines does not harm the substantive rights of the BOR or any other party or otherwise adversely affects the integrity of the BOR's procurement process.

Section 1: Methods of Procurement

In general, the BOR will use the following types of solicitation documents for its P3 ventures:

1.1 Request for Quotations (RFQ)
A Request for Quotations ("RFQ") is a formal solicitation method that includes a well-defined specification or scope of work and usually contains all contractual terms and conditions. Bidder exceptions to any of the RFQ specifications may be used as a basis for disqualification. The RFQ solicits sealed price quotations or bids from prospective vendors and seeks to obtain price quotes from the lowest priced responsive and responsible bidder(s); provided, however, no contract award shall be made to the bidder with the lowest cost if the BOR determines the low cost bidder cannot perform the contract requirements.

The BOR may use an RFQ if the project lends itself to the creation of a clear and accurate Statement of Work and the objective of the solicitation is to identify a vendor who can provide the required specifications at the lowest possible cost.

1.2 Request of Proposal (RFP)
A Request for Proposals (RFP) is a formal solicitation method that seeks to leverage the creativity and knowledge of business organizations in order to
provide a solution to a procurement need. The RFP solicits technical and sealed price proposals from prospective vendors and seeks to obtain the "best value" for the State. The RFP method does not use the cost of the project as the single determining factor, but rather uses a combination of lowest cost plus best-proposed solution to determine the award.

The BOR may use an RFP where the objective of the solicitation is to identify a vendor who can offer the best possible solution to the procurement at the most reasonable cost.

1.3 Request for Information (RFI)

A Request for Information (RFI) is a quasi-formal method for soliciting information from vendors who have knowledge or information about an industry, product, or service. The RFI method is not intended to result in a contract award but is designed to allow for the collection of industry information that will then be used to determine if an RFQ or RFP solicitation method is appropriate.

1.4 Request for Qualified Concessionaires/Contractors (RFQC)

An RFQC is used in cases when the BOR is attempting to find offerors with the qualifications to produce the product or service desired. Each vendor is judged on its ability to meet or surpass the required qualifications set forth in the RFQC solicitation document. This form of solicitation may, but does not always, culminate in a contract award. This form of solicitation may be used as a pre-requisite to determine eligibility to respond to a subsequent RFQ or RFP.

Section 2: Competitive Procurement

2.1 Policy Statement

Acquisitions, purchases, or solicitations made by the BOR related to P3 ventures shall be made through a competitive process involving sealed responses unless expressly exempted from by the Chancellor.

2.2 Public Notice

(a) All competitive solicitations related to P3 ventures shall be posted on the BOR’s P3 webpage located at www.usg.edu/p3 and, at the option of the BOR, may also be posted on the Georgia Procurement Registry.

(b) The BOR, at its discretion, may elect to conduct additional public advertisement through a newspaper or other publication or in locations or publications that may be familiar with potential vendors for the goods or services needed.
Within one day of the contract award, the BOR shall post the Contract Award on the BOR’s website.

2.3 Formal Sealed Bids

(a) All procurements related to a BOR P3 project will be made by solicitation of sealed competitive bids or proposals. To solicit competitive sealed bids, the BOR will require the vendor to submit its bid in a sealed package. Faxed bids and emailed bids will not be considered sealed bids. Sealed bids shall not be opened until after the closing date and time of the applicable procurement.

(b) Bid Evaluation and Award

(i) Evaluation of Bids. Evaluation and contract award will be as set out in the solicitation document.

(ii) Alternate Bids. Alternate bids may be considered for an award in the discretion of the BOR.

2.4 Competitive Sealed Responses and Proposals

All responses and proposals received by the closing date and time of the RFQC or RFP will be evaluated in accordance with the terms and conditions set forth in the RFQC or RFP. During the evaluation stage, the BOR may elect to request clarifications and/or, conduct one or more rounds of discussions or negotiations to solicit improvements to technical and/or cost proposals.

Section 3: Clarifications, Discussions and Negotiations

Clarifications, discussions, and negotiations may be conducted on any BOR P3 procurement in accordance with the following:

3.1 Clarifications

During the procurement process, the BOR may seek clarifications from any offeror at any time.

3.2 Discussions

The BOR may conduct discussions collectively or one-on-one with offerors who are deemed qualified based on criteria set forth in the solicitation document. The BOR may engage in one or more rounds of discussions for the whatever purpose determined by the BOR, including but not limited to (x) gaining a better understanding of an offeror’s proposed solution; (y) communicating the BOR’s needs or concerns; or (z) communicating revisions and/or best and final offers.
3.3 **Negotiations**

The BOR may conduct negotiations with offerors who are deemed qualified and reasonably susceptible for award based on criteria set forth in the solicitation document. The BOR may engage in one or more rounds of negotiations.

The BOR will identify which offerors shall participate in the negotiations in one of the following ways:

(a) Identify in the solicitation document the methodology that will be used to identify offerors that may participate in negotiations. This may include, but is not necessarily limited to, a methodology that establishes a competitive range based on offerors' rankings following proposal evaluations.

(b) Identify in an addendum to the solicitation document the methodology that will be used to identify offerors that may participate in Negotiations.

(c) Negotiate with all responsive responsible offerors following bid/proposal evaluations.

The BOR may issue additional information and/or instructions to offerors participating in negotiations as needed. Negotiations may be completed after a single round, or may be done in several rounds as determined by the BOR’s negotiation team.

After the negotiations, participating offerors may be asked to submit supplemental proposals defining the revisions that are a result of the negotiations. Any request for supplemental proposals will be directed in writing to all offerors participating in the negotiations, and will provide details concerning the format and due date for the supplemental proposals. The BOR may in its sole discretion terminate negotiations and/or the solicitation at any time.

3.4 **Negotiations in Lieu of New Procurement**

If after evaluation and obtaining clarification of a bid or proposal the BOR determines that a bid or proposal is unreasonable or unacceptable, or is noncompetitive, or the low bid or highest scoring proposal exceeds available funds, the BOR will determine in writing whether time or other circumstances will permit the delay required to re-solicit competitive bids or proposals. If the BOR determines that the circumstances are such that the procurement cannot be delayed, a contract may be negotiated provided that each responsible bidder or offeror who submitted a bid or proposal under the original solicitation is notified of the determination and is given a reasonable opportunity to negotiate.
In cases where the bid/proposals received are noncompetitive or the low bid or highest scoring proposal exceeds available funds, the negotiated prices shall be lower than the lowest rejected bid/proposal of any responsible bidder/offeror under the original solicitation.

Section 4: Miscellaneous

4.1 Right to Examine Records

The BOR shall have the right examine, inspect and audit the records of bidder/proposer pertaining to any contract with the BOR for a period of 3 years after the termination of the contract with the BOR.

4.2 Cancellation of Requests for Quotes, Requests for Qualified Contractors/Concessionaires, or Requests for Proposals

A RFQ, RFQC, or RFP or other solicitation may be canceled, or any or all responses may be rejected in whole or in part as may be specified in the solicitation and which is in the best interest of the BOR. Further, if at any time it is found that the integrity of the process has been compromised or that errors have occurred, the solicitation may be canceled.

4.3 Rejection of Bids/Proposals

The BOR reserves the right to reject any and all bids/proposals submitted in response to any solicitation document, to reject any portion thereof, or to waive any irregularity or administrative requirement.

Section 5: Protests

Any person or entity desiring to protest, challenge, or otherwise pursue a claim against any aspect of a BOR P3 procurement must comply with the attached BOR’s Proposal Protest Procedure.

Section 6: Amendments

These Procedures may be amended, supplements, or cancelled at any time by the BOR. The BOR will publish notice of any such event on the BOR’s P3 webpage located at www.usg.edu/p3.
