Managing Your Account – Go Online to Get Started

The YSA website is your source to manage your retiree health reimbursement account (HRA) whenever and wherever it’s most convenient for you. On the site, you can:

- View your available balance
- Confirm eligible expenses
- Submit a claim for reimbursement
- Enroll in direct deposit

Submitting Claims

Premiums

Your account includes a convenient feature called “Premium Auto-Reimbursement” for those who pay premiums on a monthly basis. Once established, you’ll be automatically repaid for your premiums each month, with no additional action needed from you.

Reference the enclosed brochure for details on how to set up Premium Auto-Reimbursement and how to submit non-monthly premiums.
Health Care Expenses

You can submit your eligible health care expenses in two ways:

1. **Online** - From the Account Summary page, select *Get Reimbursed* from the right side of the screen.

2. **Paper** – If you don’t have access to the Internet or prefer to complete a paper form, call the Aon Retiree Health Exchange and request that a claim form be mailed to you.

Your claims will typically be processed within three to five business days after receipt.

Catastrophic Prescription Drug Benefit

University System of Georgia recognizes that unexpected circumstances can arise and that a change in your health can result in increases to your prescription drug cost. While most will not need this coverage, rest assured that a Catastrophic Prescription Drug Benefit is available for additional protection.

A Catastrophic Prescription Drug Benefit is an employer-funded account that reimburses you for out-of-pocket prescription expenses after you’ve reached or exceeded the catastrophic coverage stage of your Medicare Part D plan. If you reach the catastrophic coverage stage of your prescription drug plan, call us for more information.
