USG Security document has been filled out as well.

Jigsaw Interactive

- Jigsaw is virtual classroom/meeting software with a Brightspace integration. For general information, visit JigsawInteractive.com
- Jigsaw is offering a *free* pilot program now through August 15.
    - o Each participating institution may have an unlimited number of instructors/hosts using the system.
    - o Must complete an initial Pilot Training program that lasts approx. 90 minutes.
    - o Jigsaw representatives will be reaching out several times during the pilot to check on your satisfaction with the product and offer any needed assistance.
    - o USG Tech Store will reach out mid-term to determine future interest.
- To participate in the USG Pilot Program, contact Bill Niehr at bniehr@jigsawinteractive.com and copy Shari King at Shari.King@usg.edu

Also, please submit an ITS ticket for testing and integration.
