Known Issue: KI9.2-016-PY: Error Message Displayed When Some Employees Try to Make Changes to Their G4

**POSTED:** February 27, 2020

**STATUS:** Active

**Audience:** HR and Payroll Practitioners

**Known Issue:** Some employees are getting the following error message when making changes to their G4 in OneUSG Connect > Employee Self Service > Taxes tile.

```text
Field does not exist -- FED_TAX_DATA.FVT_FCIRU_VERSION. (80.104) STATE_TAX_DATAEMPLID.SaveEdit. PCPC.6601 Statement.173
A reference to a record field name was made and the record field name was not found to exist. Verify that the field exists on the page in which the PeopleCode program is being executed.
Review the program for errors. If necessary, run a PeopleCode trace to determine the program that failed.
```

**Functional Workaround:** Practitioners are able to update an employee's G4.

**Tentative Resolution Information:** The OneUSG Connect Support team is working diligently to resolve this issue. An update will be sent as soon as there is a resolution.
