

Known Issue: KI9.2-006-BN: Incorrect BCAF Amount for Deduction Code 01BHMO

POSTED: February 20, 2019

Audience: Benefit Practitioners

Known Issue: Incorrect BCAF Amount for Deduction Code 01BHMO

On the January 2019 Benefit Carrier Accounting File (BCAF) received from Alight there are deductions for the Blue Choice HMO Family plan that are incorrect. The employee contribution amount for the Blue Choice HMO Family plan deducted from paychecks in January is \$639.80 for monthly employees and \$319.90 for bi-weekly employees. Alight sent the employee contribution amount for Blue Choice HMO Family plan as \$533.27 in the BCAF. This will cause a variance when reconciling January 2019.

Payroll deductions are correct- this did not impact employees.

Resolution Information: Alight is aware of the issue and is going to correct this in a future file.
