For reporting purposes, calculation of the total student indebtedness, will include outstanding subsidized and unsubsidized loans plus all current loans disbursed for the present academic year. Example: NSLDS reports that the "Student" (who is a 5th year Senior) has received \$2625 his freshman year, \$3500 his sophomore year, \$5500 his Junior year, \$5500 his Senior year, therefore has a cumulative loan debt of \$17,125. The FA office must also then refer to 'Present Academic' year disbursed of \$5500 in order to determine the total cumulative loan debt and to ensure that the student has not exceeded his maximum Stafford loan eligibility of \$23,000.
