• Update from PR Committee – Changes to USGSC Website – Erin Brannon

Ms. Brannon stated that the website is out of date but that changes are being made. Keith Warburg from Valdosta State was appointed webmaster. He has already updated some information and has additional items to put on the site. Tim, Erin, and Alberta met with a representative from the Board of Regents to discuss the new web program that the BOR is implementing. The BOR is migrating to a new content management system. They are planning on migrating to the new site in March. So we are trying to update as much as possible before then. She stated that we don’t know how the site will look. If you have thoughts or ideas that you think would be beneficial to site please contact Erin. Suggestions from the group included the addition of a calendar, photos, and updates from individual intuitions.

• Update of USGSC Top 4 Concerns – Tim Aldridge

Mr. Aldridge listed the Top 4 concerns for 205-2016. They are 1) Staff Raises, 2) Professional Development, 3) Tap for Online Classes, and Controlling Health Care Cost. Mr. Aldridge stated that an email was sent to every institution to gather information about how proposed changes to TAP would affect their institutions. Proposed changes would include extending TAP benefits to cover full tuition cost of online classes and to extend TAP to cover current Executive and Professional programs. Mr. Aldridge stated that as soon as he has any further information he will relay that information to the group.

Debbie Chimeno mentioned that Mr. Aldridge met with the Retiree Council.

• Discussion of Business meeting at the 2015 Conference – Tim Aldridge

Mr. Aldridge discussed feedback from the Columbus Conference.

a) At the conference the business meeting was 1 ½ hours. Some attendees felt that the business meeting was too long.

b) Some attendees felt that two days was too long. There was a discussion as to whether a one day conference is worth the time. A comment was made that two overnight stay was too
long. General agreement was for a conference to start around noon and require one night stay would be optimal. Kathy mentioned that KSU is considering late start and one night stay.

Mr. Aldridge opened the floor to discussion. The group discussed the Education Support Leave. This leave gives employees eight hours of paid leave per calendar year to attend parent/teacher conferences, participate in classroom activities, and more.
