

The Naming Advisory Group is providing the following updates on their work to review and study the names of buildings and colleges on all USG campuses:

- A framework for the evaluation of named buildings and colleges is being developed.
- Historians are being interviewed to support the Group's work.
- Over 1,553 public comment submissions have been reviewed.
- Documents containing the names of all buildings and colleges on USG campuses have been compiled and are being evaluated.

Albany State University President Marion Fedrick  
Chair, Naming Advisory Group
