

## Area F Guidelines: Respiratory Therapy

Area F for majors within the Allied Health Professions consist of 18 hours of lower-division (1000- and 2000-level) courses related to the specific health professional program of study or be prerequisite to courses required in the major.

REQUIRED:	
Anatomy and Physiology (two course sequence)	8 hours
Microbiology	4 hours
Guided Electives chosen from chemistry, physics, statistics, and psychology	6 hours
Total	18 hours

\* Courses may be satisfied in institutional Areas A through E; in these cases, Guided Approved Electives (approved by the student's advisor) may be substituted into Area F.
