Engaged Student Learning

Volume 2
About the Book

Engaged Student Learning: Essays on Best Practices in the University System of Georgia, Volume 2, is a publication of the University System of Georgia. It arose from a desire to recognize the excellence of all individuals who had been nominated for one of the prestigious Regents’ Awards for Teaching Excellence. These awards are the USG’s highest recognition of teaching and illustrate the USG’s commitment to ensuring academic excellence for the citizens of Georgia.
