

SUBJECT: New Calendar Year 2014 Updates

POSTED: January 7, 2014

ANNOUNCEMENT

The FSA liability accounts for Calendar Year 2014 have been created and the related configurations have been updated in FPROD (Production). The GeorgiaFIRST Financials Production Support team has performed the following tasks:

1. The following new FSA liability accounts for calendar year 2014 have been added to the GL account table:
 - 213114 PR DED – DEP SPENDING ACCT CY14
 - 213214 PR DED – MED SPENDING ACCT CY14

2. The following **Combination Edit Rules** have been updated to include these new FSA accounts:
 - FSADEPT
 - FSAPROJ

3. The **Build Combination Data** process has been run as part of the BORDAILY schedule.

4. The PAYROLL_EX **Journal Generator Template** has been updated so that detail is retained for these new accounts when a payroll expense journal is generated.

5. The following new FSA **Expense Types** for 2014 have been added for the Expenses module:
 - FSADP14
 - FSAMD14

6. The **Expenses Workflow routing** has been updated for the new FSA accounts.

If you wish to change the way you track open items or if your institution is changing the way FSA accounts are managed, such as outsourcing to an FSA vendor, you may want to review the configuration of these accounts to determine if they meet your needs for this calendar year. If you need any assistance with this, please contact the **ITS HELPDESK**.

In addition to the FSA updates, the annual **CONUS/OCONUS** load for the new calendar year has been updated in FPROD (Production).
