SUBJECT: GeorgiaFIRST Marketplace e-Invoice Delay Reinstated

The GeorgiaFIRST Marketplace three-day e-Invoice delay has been reinstated as of this morning.

In order to allow timely processing of e-Invoices during fiscal year-end, the three-day delay for e-Invoices from GeorgiaFIRST Marketplace has been removed effective today, June 22, 2017. This will allow e-Invoices to be available to be built into Vouchers as soon as they are sent from the Supplier.

Please note that if receiving is required and the items have not yet been received, the e-Invoice voucher will receive a match exception and will not be available to be budget checked or posted until a receipt has been created.

ITS plans to reinstate the three-day delay on July 6, 2017.
