SUBJECT: Budget Prep Export Training

Georgia*FIRST* PeopleSoft Financials will hold two WebEx training sessions geared towards Budget Prep users and their HR practitioner. We are holding two identical sessions to ensure that as many people as possible have the opportunity to participate, as we will cover both the Financials and OneUSG processes related to Budget Prep. In addition to covering steps needed to export data, we will also provide examples of data cleanup that may be required to load your budgets in OneUSG successfully.

We encourage anyone who is responsible for the FY2019 Budget Prep process to register and attend one of the following sessions.
