ANNOUNCEMENT

TO: Georgia*FIRST* PeopleSoft Financials Users

POSTED: November 1, 2019

SUBJECT: Updated General Ledger Business Processes Available Now

---

As of November 1, 2019 all General Ledger business processes were updated and posted to the Georgia*FIRST* website. Additionally, the General Ledger Business Process Index was updated to reflect these changes.

The business processes for each General Ledger category are loaded as a zip file on the website and may be accessed by clicking on the category link, opening the compressed file, and double clicking the PDF file for the business process to open.
