The upcoming GeorgiaFIRST Financials Release 5.64 and Augusta Financials Release 1.34 will incorporate several changes into the Budget Prep module including Multiple Components of Pay as implemented in OneUSG Connect and many user-requested quality improvements.

ITS will host User Acceptance Testing (UAT) from January 19 - 29, 2021 to gather feedback from institutions. If users plan to attend UAT, please attend the UAT Kickoff call at **10:00 a.m. on January 19, 2021** to learn about the changes that need to be tested and the testing schedule.

Additionally, ITS encourages Budget Prep users from GeorgiaFIRST institutions and Augusta to attend the UAT Kickoff Meeting to learn about upcoming changes even if they are unable to take part in testing at this time. Moreover, Budget Prep users that primarily use only the OneUSG Connect portions of the process are welcome to attend but are not required.
