
ANNOUNCEMENT

TO: GeorgiaFIRST PeopleSoft Financials Users

POSTED: June 8, 2021

SUBJECT: System Maintenance for FPLAY Database Extended

GeorgiaFIRST is extending system maintenance for FPLAY and anticipates the environment will be available after 1 p.m. today. GeorgiaFIRST will send a confirmation communication to users once the FPLAY maintenance is complete and the environment is available.

The FPLAY environment is used by institutions for GeorgiaFIRST Marketplace training, for prototyping and testing transactions and queries, and for Banner integration testing.
