ANNOUNCEMENT

TO: Georgia*FIRST* PeopleSoft Financials Users

POSTED: December 6, 2021

SUBJECT: System Maintenance Completed for FPLAY Database

Georgia*FIRST* refreshed FPLAY from a recent copy of production and the FPLAY environment is now available for use.

The FPLAY environment is used by institutions for Georgia*FIRST* Marketplace training, for prototyping and testing transactions and queries, and for Banner integration testing. Users can access FPLAY by clicking the "Georgia*FIRST* FPLAY" button on bottom right of the Georgia*FIRST* homepage.

ACTION NEEDED: ITS recommends all users clear their Temporary Internet Files (browser cache) before logging back into the system. It is highly recommended all users clear their browser cache often, especially after an update is applied. For more information on how to clear browser cache, click here.
