

ANNOUNCEMENT

TO: GeorgiaFIRST PeopleSoft Financials Users

POSTED: September 29, 2022

SUBJECT: Correction: Table Changes Internal Integrations Testing, Monday, October 3, 2022 - Friday, October 7, 2022

The GeorgiaFIRST Financials release 5.80, scheduled for Friday, November 4, 2022, includes table changes that may affect third party integrations. ITS recommends that all institutions using institution specific integrations such as SAS, Business Objects, or other reporting software test these integrations prior to the release. Institutions will use the FTEST2 environment for this testing. To gain access, users will need to contact the ITS Helpdesk [here](#) for password information:

Table Name	Change
PS_PO_LINE	New column: GNV_ORDER_LINE_NBR
PS_PO_LINE_SHIP	New columns: GNV_ORDER_LINE_NBR and GNV_SCHED_NBR
PS_PROJECT	New column: PC_DTTMSTAMP_KIB
PS_RECV_LN_SHIP	New column: GNV_PRFORM_DTL_NBR

MORE INFORMATION AND SUPPORT: For business impact issues, contact the ITS Helpdesk at helpdesk@usg.edu or via the [ITS Customer Services website](#).
