
ANNOUNCEMENT

TO: GeorgiaFIRST Technical Representatives and PeopleSoft Security Administrators

POSTED: October 23, 2023

SUBJECT: Server Connectivity Information Changes for GeorgiaFIRST PSQUEST Accounts Access

Server connectivity information required to make database level connection to GeorgiaFIRST Financials databases will be updated during GeorgiaFIRST Financials scheduled maintenance for the application of GeorgiaFIRST Financials Release 5.90.

If your institution uses database level connectivity functionality, PeopleSoft Security Administrators may contact the [ITS Helpdesk](#) to submit a ticket to request the new server connectivity information.

MORE INFORMATION AND SUPPORT: For business impact issues, contact the ITS Helpdesk at helpdesk@usg.edu or via the [ITS Customer Services website](#).
