

ANNOUNCEMENT

TO: Georgia FIRST Technical Representatives and PeopleSoft Security Administrators

POSTED: October 23, 2023

SUBJECT: Server Connectivity Information Changes for Georgia *FIRST* PSQUEST

Accounts Access

Server connectivity information required to make database level connection to Georgia *FIRST* Financials databases will be updated during Georgia *FIRST* Financials scheduled maintenance for the application of Georgia *FIRST* Financials Release 5.90.

If your institution uses database level connectivity functionality, PeopleSoft Security Administrators may contact the ITS Helpdesk to submit a ticket to request the new server connectivity information.

MORE INFORMATION AND SUPPORT: For business impact issues, contact the ITS Helpdesk at helpdesk@usg.edu or via the ITS Customer Services website.
