- ☒ Skip Summary Ledger Update
- ☒ Skip Essbase Incremental Load

**Budget Post Options**

- ☐ Skip Entry Event processing
- \*Parent Budget Generation: User Specified

Save Return to Search Notify Refresh

User Preferences | General Ledger

*These user preferences are new in 9.2. They are set to "Allow" by default. Because we are controlling journal entry and processing by roles, it is not necessary to unselect these options for users that are not authorized, but should be left as "Allow" for those users performing journal entry and processing.*
