

AM.020.072 - RUNNING LOAD DEPR REPORTING TABLE - MONTHLY

Purpose	 Define what the Load Depreciation Reporting Table process does. Identify what the Load Depreciation Reporting Table stores. Run the Load Depr Reporting Table – Monthly process.
Description	This topic demonstrates how to run the Load Depreciation Reporting Table process on a monthly basis. After the Depreciation Calculation process is run, the Load Depr Reporting Table process is run to generate cost and depreciation reports. This table stores life-to-date and year-to-date depreciation amounts. Use <u>AM.020.073 – Running Load Depr Reporting Table - Yearly</u> to complete this at the beginning of the year. Use this process each month for newly created open transactions.
Security Role	BOR_AM_DEPRECIATE
Dependencies/ Constraints	None
