

## AP.080.032 - MONITOR APPROVALS - REASSIGNING VOUCHERS

<b>Purpose</b>	To Reassign a Voucher using the Monitor Approvals page.
<b>Description</b>	<p>The Monitor Approvals page gives Accounts Payable Administrators a view into all approvals to which they have access, as well as the ability to take necessary actions on pending approvals, such as searching approval processes, performing mass reassignments, and/or add additional Approvers to workflow.</p> <p>This topic demonstrates how the Accounts Payable Administrator can view approval routings and use this page to Reassign a voucher using the Monitors Approval page to expedite workflow.</p> <p>Due to the complex rules used by PeopleSoft Expenses, the Monitor Approvals page should not be used to approve or deny expense transactions. To approve and deny expense transactions use the PeopleSoft Expenses approval pages.</p>
<b>Security Role</b>	<b>BOR_AP_ADMINXX</b> (Accounts Payable Administrator Role)
<b>Dependencies/Constraints</b>	None
<b>Additional Information</b>	As Approvers retire, leave the institution or change departments/positions within the institution, Approver Assignments must be updated to reflect a new approver for the department and/or project. Otherwise, vouchers could be 'stuck' in approval workflow, requiring the intervention by the Accounts Payable Administrator.
