

FLUID HOMEPAGES IN PEOPLESOFT FINANCIALS

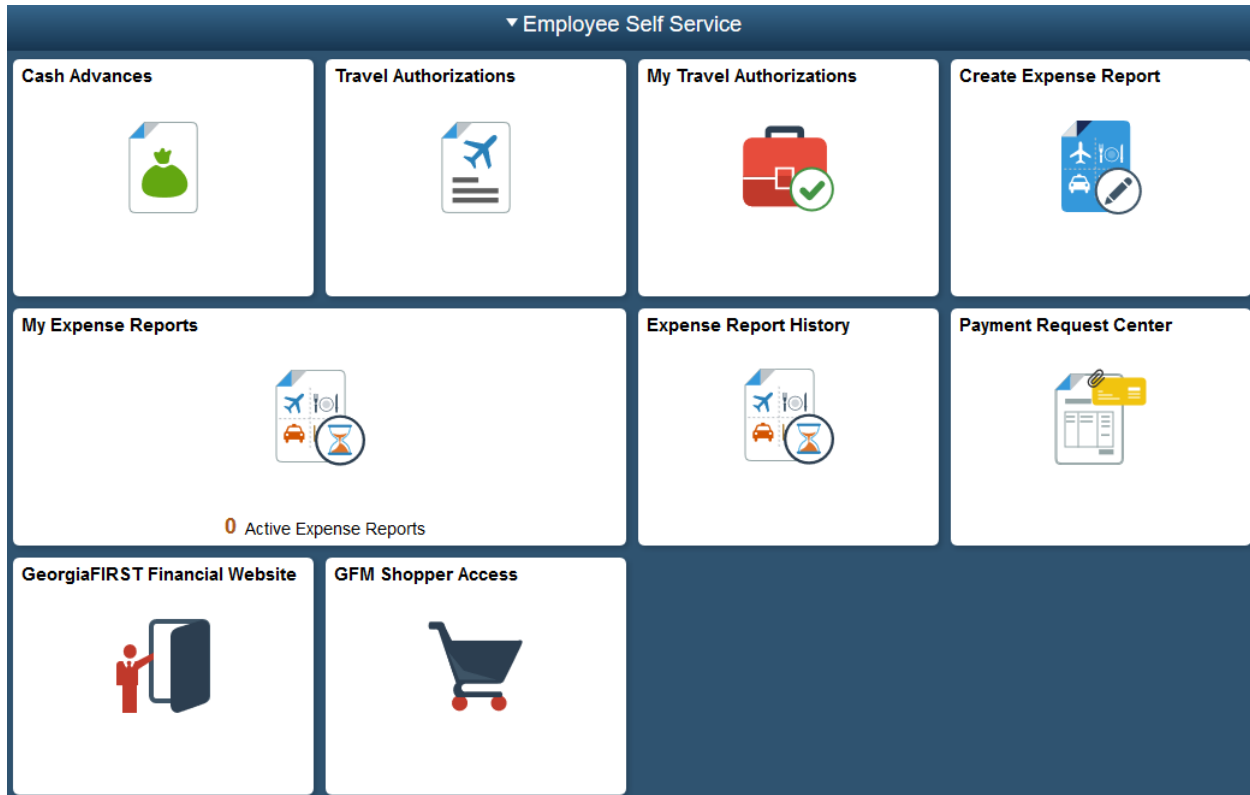

The Fluid Interface is designed to adapt easily to various devices including mobile phones and tablets. The Fluid homepage pictured below replaces the Classic homepage that displayed the navigation menu on the left side.

Users access the menu previously located on the left side of the homepage from the Navigation Bar (NavBar), located in the top right corner of the page. For more information on how to use the NavBar, see the PeopleSoft Financials Fluid User Interface videos on the [GeorgiaFIRST website](#).

Homepages by Job Function

Users can view homepages by job function. Each homepage by job function contains default tiles based on that job function. Initially when users log in to GeorgiaFIRST Self Service they land on the Employee Self-Service homepage as seen below.

In addition to the Employee Self Service homepage, users can choose from four other homepages by job function as listed below:

- Manager Self-Service
- Finance & Accounting
- eProcurement/Purchasing
- Payables Operations

Note: homepage access depends on the user's security access and institution's transaction use. If access to a particular homepage is needed, contact the institution's local Security Administrator.
