<p>CORE Resources are funded by all communities for all communities through collaborative purchasing agreements, with the following notations: LSTA funding provides Informe access for all communities; AMPALS, GPALS, and USG provide funding for Grove Dictionary of Art. Complimentary access to Enciclopedia Universal en Español and Annals of American History is provided for all communities in FY2005 as a result of K-12's purchase of Britannica resources, and SKS WebSelect is provided for all communities as a result of K-12's and public libraries' purchases of SIRS resources. Each community also has access to additional customized databases -- see other side for details.</p>
