

# Degree Works Quick Reference Guide

## Responsive Dashboard

This Quick Reference Guide is a brief summary to assist you in updating and maintaining your Degree Works environment. Additional training through the Ellucian Customer Center or GeorgiaBEST is also available.

### Responsive Dashboard

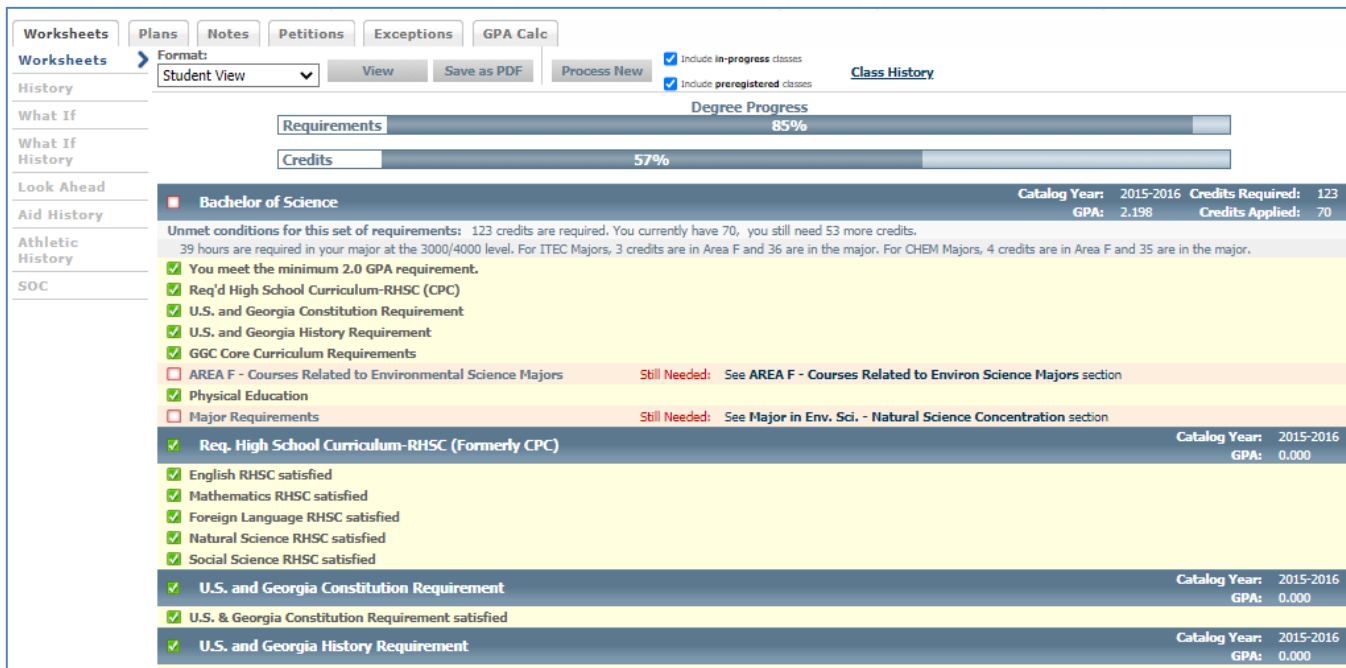

The screenshot shows the Degree Works Responsive Dashboard interface. At the top, there are tabs for 'Academic', 'What-if', and 'SOC', along with a 'View historic audit' dropdown. Below this, a 'Format' dropdown is set to 'Student View'. The 'Degree progress' section shows an 'Overall GPA' of 2.247. There are checkboxes for 'In-progress classes' and 'Preregistered classes', with a 'Process' button. The 'Audit date' is 6/22/2020 2:11 PM. Below the audit date are links for 'Diagnostics', 'Student data', 'Save audit', and 'Delete audit', and a 'Collapse all' button. The main content area displays four requirement sections: 1. 'Bachelor of Science' (INCOMPLETE) with 123 credits required and 70 applied. 2. 'Req. High School Curriculum-RHSC (Formerly CPC)' (COMPLETE) with 0 credits applied. 3. 'U.S. and Georgia Constitution Requirement' (COMPLETE) with 0 credits applied. 4. 'U.S. and Georgia History Requirement' (COMPLETE) with 0 credits applied.

- Introduced in Degree Works 5.0.2

## Degree Works Quick Reference Guide

- Modern design
- Mobile friendly
- Personalized experience
- ADA compliant (WCAG 2.0 AA)

### Classic Dashboard

The screenshot shows the Degree Works Classic Dashboard for a Bachelor of Science program. The top navigation bar includes tabs for Worksheets, Plans, Notes, Petitions, Exceptions, and GPA Calc. The main content area displays progress bars for Requirements (85%) and Credits (57%). Below the progress bars, a checklist of requirements is shown, with some items marked as 'Still Needed'.

Requirement	Status	Notes	Catalog Year	Credits Required	Credits Applied
Unmet conditions for this set of requirements: 123 credits are required. You currently have 70, you still need 53 more credits.	Unmet	39 hours are required in your major at the 3000/4000 level. For ITEC Majors, 3 credits are in Area F and 36 are in the major. For CHEM Majors, 4 credits are in Area F and 35 are in the major.	2015-2016	123	70
<input checked="" type="checkbox"/> You meet the minimum 2.0 GPA requirement.	Satisfied				
<input checked="" type="checkbox"/> Req'd High School Curriculum-RHSC (CPC)	Satisfied				
<input checked="" type="checkbox"/> U.S. and Georgia Constitution Requirement	Satisfied				
<input checked="" type="checkbox"/> U.S. and Georgia History Requirement	Satisfied				
<input checked="" type="checkbox"/> GGC Core Curriculum Requirements	Satisfied				
<input type="checkbox"/> AREA F - Courses Related to Environmental Science Majors	Still Needed	See AREA F - Courses Related to Environ Science Majors section			
<input checked="" type="checkbox"/> Physical Education	Satisfied

<input checked="" type="checkbox"/> U.S. and Georgia History Requirement	Satisfied		2015-2016		

- Standard Degree Works audit look, still available
- “Checksheet” design

### Why the Change?

Improved, modern design—Ellucian has introduced a new visual metaphor based on “visual cards” which follows Ellucian Design Standards. Ellucian applications are now more visually cohesive.

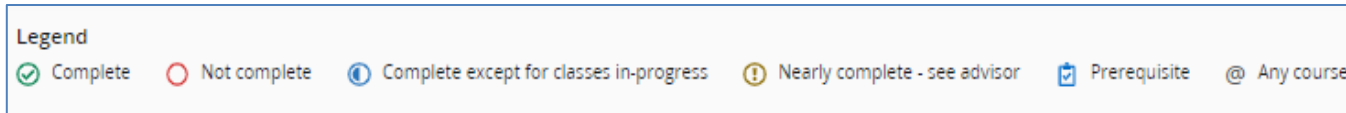

### What’s New?

- No color coding on requirements

## Degree Works Quick Reference Guide

---

- Updated legend icons:

- WCAG 2.0 AA compatibility for accessibility
- Mobile responsive

### What hasn't changed?

- Each audit block is presented separately
- Complete Sections are indicated with green "Complete"
- Incomplete Sections are indicated with red "Incomplete"
- Any updates displayed in the Classic Dashboard also display in the Responsive Dashboard
- Template Management for the Student Educational Planner (SEP) is only available in the Classic Dashboard in Degree Works version 5.0.2

### What do I need to do?

- The Responsive Dashboard and Classic Dashboard can be used concurrently
- Ellucian has not announced end of life for the Classic Dashboard
- No additional permissions (keys) are needed for the Responsive Dashboard

### Where can I get more information?
