Creating a More Ethical Culture

It is up to all of us to create a more ethical culture!

We are good stewards. We are educators.

We are the SPIRIT of USG!

Stewardship • Prevention • Integrity • Responsibility • Inspiration • Trust

Don't gamble with your future. Know the rules for P-cards.

The USG is committed to the highest ethical and professional standards of conduct in pursuit of our mission to create a more educated Georgia. Accomplishing this mission demands integrity, good judgment and dedication to public service from all members of the USG community. What we do reflects on who we are and sets an example for our students and our state.
