Revisions to Board of Regents Policy Manual, Section 7.3.4.2 Waiver of Mandatory Fees

Background:
The purpose of this policy change is to bring policy language in line with the new proposed mandatory fee structure to charge fully online students a portion of all mandatory fees, which will be named the Online Learning Fee. Additionally, all references to the special institutional fee are being removed as this fee has been eliminated.

The Online Learning Fee may be pro-rated for part-time, online students, per each institution’s policy for part time proration and in accordance with Section 7.3.4.2. As with other mandatory fees, this fee may be included in bundled “One Rate” program costs that include tuition, fees, and other costs of attendance that have been approved by the Board of Regents, and in other programs with differential costs addressed by Board Policy 7.3.1.5 – Tuition Agreements with Corporations, Organizations, and Other Legal Entities. In such cases, the Online Learning Fee may be included in the bundled cost approved for program delivery and does not necessarily need to be billed separately if those programs are delivered online. Special program fee rates previously approved by the Board will remain intact.

Effective Date:
The effective date of this policy revisions is April 16, 2024.
