## **INTRODUCTION**

This report presents the total number of awards, certificates, and degrees conferred in each discipline in each institution in the University System of Georgia for the 1998-99 fiscal year.

Two reports are presented for each institution: the undergraduate degree report, followed immediately by the graduate degree report. Both reports list each discipline in numerical order by CIP code (Classification of Instructional Programs) and the type and level of award/degree conferred. In the undergraduate report these award and degree levels include certificates of less than one year, one-year certificates, associate degrees, two-year certificates, and bachelor's degrees.

The graduate report degree levels range from the advanced certificate through doctoral and professional degrees, etc. Both reports include undergraduate and graduate totals and the combined totals from both reports.

Also provided in this report are System totals by CIP code. The undergraduate System report begins on page 210; the graduate System report begins on page 235.

It will be helpful to note that some CIP codes are grouped into larger disciplines for which totals are also provided. For example, if the total number of Computer and Information Science degrees is sought (CIP code 11.), it should be noted that there are specialized fields of study under this code, e.g., 11.0101, 11.0401, for which totals are also provided.

CIP code books may be downloaded from the web at <http://nces.ed.gov/pubsearch/pubsinfo.asp?pubid=91396>. Contact our office at (404) 656-2213 if you need additional information.
