Dual Enrollment: Beginning Fall 2010, USG changed the umbrella term used for students enrolling in a USG institution prior to their high school graduation from Joint Enrollment to Dual Enrollment.

In accordance with federal guidelines, the USG began collecting and reporting race and ethnicity differently in Fall 2009. Race and ethnicity are now collected using a two question format which allows a student (1) to indicate whether they are Hispanic or not, and (2) to choose a race. Also, the race category, "Asian and Pacific Islander" was divided into two categories, "Asian" and "Native Hawaiian or Other Pacific Islander." Finally, the category "Multiracial" became "Two or more races."
