"Other Undergrads" are joint enrolled high school students.

"Other Students" are either "Transient", "Auditors", or students that have a bachelor's degree who are enrolled for credit at the undergraduate level, but not pursuing another degree.

Graduate/Professional programs eligible for the HOPE Scholarship are the Doctor of Pharmacy and the Master of Accounting, and these programs include baccalaureate components.

"Number of HOPE Eligible Students" is the subset of freshmen who have a graduation date from a Georgia high school of 1993 or later. These students are considered eligible for HOPE, but in order to receive HOPE, they must meet academic requirements (a 3.0 in core high school courses). This column also includes any additional first-time freshmen receiving HOPE according to GSFC records but who did not appear to SIRS as Georgia high school graduates. This report includes only those students who received the HOPE Scholarship; it does not count HOPE Grant recipients as scholarship recipients.
