Virtual Fall College Tour Challenge

- **About the Challenge**
  - We’re going on a virtual college tour! Take the fall challenge and visit all 26 University System of Georgia campuses. Your steps at home or at work will convert to mileage and will move you virtually between the institutions, which cover the state from the mountains to the coast and from the Chattahoochee to the Savannah rivers.

- **Challenge Rules**
  - This challenge starts on August 17, 12 a.m. local time, and ends on September 27, 11:59 p.m. local time.
  - The last chance to upload your steps is September 28, 11:59 p.m. local time. Steps uploaded after this date won’t be counted in the final results. Try uploading daily—it’s more fun!

- **Teams**
  - Teams can have up to 10 participants.
  - You can join an existing team or create a new team. It’s up to you!
  - Either way, try to have a full team of 10 to maximize your score.
Virtual Fall College Tour Challenge

- **Earn Rewards**
  - Employees and spouses enrolled in a USG healthcare plan can earn $25 toward their $100 USG well-being credit by tracking steps each week of the USG Fall College Tour Challenge.
  - Did you waive healthcare benefits? No worries, you can still participate and earn a prize drawing entry for tracking steps each week of the challenge.

- **Scores**
  - Team scores are based on total team steps. The more steps your team gets, the better your score.
  - To contribute to your team score, upload steps from a fitness tracker or app.
  - You can get credit for a maximum of 30,000 steps per day (so aim high)!
  - The team with the most steps at the end of the challenge wins.
Virtual Fall College Tour Challenge

- Destinations
  - As you go, try to unlock each destination with your team.
  - If you unlock all the destinations before the challenge ends, keep walking. Another team could pass you on the Challenge Leaderboard.

- Good to Know
  - The Fall College Tour Challenge is a motivational metaphor. You don’t have to physically visit each campus. You are unlocking destinations across the state based on the number of steps you take in your activities.
  - Participant names and step counts may be shared with other challenge participants and administrators.
  - You have up to 14 days to go back and enter steps prior to the upload deadline. Skip the heartache—join before the challenge starts and track daily!
