COMMON USG POLICY DEVELOPMENT THOUGHTS

- Articulating courses in SHATAEQ (e.g. repeats, grades of D/F? Are they using the Equivalent Repeat button in SHATAEQ).
- Should we move to establish a transfer course repeat policy.
- USG Global Transfer Guideline – at least a best practices guidelines for handling some of the gray areas. Best practices for determining honors for those with transfer credit.
- Other thoughts?

SYSTEM-WIDE QUESTIONS

- Does the official Final Transfer GPA have to be a 2.0 or is this only for admission purposes?
- How many institutions are performing official transcript evaluations prior to admitting the student?
- How are institutions handling courses that are not from regionally accredited institution? Are they keyed into Banner?
- Other Question?
