

More than you might expect...

UnitedHealthcare **StudentResources** offers a variety of value-added services to plan members in addition to our student injury and sickness insurance plans. We offer the UnitedHealth Allies discount card, Healthiest You, the Student Assistance Program (SAP), UnitedHealthcare Global and several web-based services.

UnitedHealth Allies

Health discount card providing members with discounts on health and wellness products/services.

HealthiestYou

A nationwide telehealth service providing members with remote access to licensed medical doctors.

SAP

Counseling, legal and financial assistance, and mediation services to deal with personal issues and crises.

UnitedHealth Global

Emergency medical and travel assistance while away from home or school.
