

University System of Georgia

Summer 2023 - Summer 2025

Freshman Admission Requirements

SAT/ACT, HSGPA, and Freshman Index Requirements

THE UNIVERSITY SYSTEM OF GEORGIA COLLEGES AND UNIVERSITIES

Thank you for your interest in the University System of Georgia (USG)! With [26 colleges and universities](#) across the state, the USG provides students a wide range of options for continuing their education. This resource is designed to help future students identify the colleges and universities that best fit their interests and academic credentials. We also encourage you to visit our [Georgia Degrees Pay](#) website to access a variety of online tools that put information about degree attainment, student success, costs and affordability for all of the USG colleges and universities at your fingertips!

SCHOOL ACCREDITATION

The USG recognizes accreditation from the following accrediting bodies:

- A regional accrediting association such as the Southern Association of Colleges and Schools Council on Accreditation and School Improvement (SACSCASI). Accredited schools can be found on the [Cognia website](#).
- [Association of Christian Schools International](#)
- [Georgia Accrediting Commission](#)
- [Georgia Association of Christian Schools](#)
- [Georgia Independent School Association](#)
- [Georgia Private School Accrediting Council](#)
- [Southern Association of Independent Schools](#)

Applicants who attend a homeschool or high school not accredited by one of the above must document their RHSC units through the submission of a curriculum packet. The curriculum packet must include the course title, course description, learning materials utilized (textbooks, software, reading lists, etc.), year course was completed, course credits and grade earned, and the school, institution, or program through which the course was taken (homeschool program, private/public school, online program, postsecondary institution, etc.) for each RHSC unit completed. Institutions may require additional documentation and/or test scores to further assess subject matter competency and preparation for college-level coursework. Students attending non-accredited homeschools or high schools are encouraged to contact their institution of interest to learn more.

REQUIRED HIGH SCHOOL CURRICULUM

Freshman applicants must complete the 17 academic units of the USG's Required High School Curriculum (RHSC). The courses that satisfy the RHSC are provided on the USG's [Staying on Course](#) document.

HIGH SCHOOL GRADE POINT AVERAGE

A minimum High School Grade Point Average (GPA) is required and is based on the 17 RHSC units. High school numerical grades are converted to letter grades based on the conversion table provided by each high school and then converted to quality points as follows.

A = 4

B = 3

C = 2

D = 1

F = 0

The GPA is calculated by dividing the total quality points by the number of high school units.

SAT/ACT SCORE REQUIREMENTS

The USG is continuing to waive SAT/ACT score requirements through Summer 2025 at 23 of the 26 institutions. The temporary waiver does not apply to the Georgia Institute of Technology, the University of Georgia, or Georgia College & State University (effective Fall 2024). The institutions to which the waiver applies may admit students

USG Summer 2023–Summer 2025 Freshman Admission Requirements

not meeting minimum test score and Freshman Index requirements but meeting a higher high school GPA requirement. This document provides the requirements to be admitted both with and without test scores.

FRESHMAN INDEX

The Freshman Index (FI) is calculated using an applicant's High School GPA (calculated on the USG's RHSC units) and SAT or ACT scores.

SAT FI Formula: $500 \times (\text{HS GPA}) + 1.06 \times (\text{SAT ERW} + \text{Math}) - 74$

Example: A student with a 2.9 HS GPA and 480 SAT Evidence-based Reading & Writing/440 SAT Math would use the following FI calculation:

$$\text{SAT FI} = 500 \times (2.9) + 1.06 \times (480 + 440) - 74$$

$$\text{SAT FI} = 2351.2$$

ACT FI Formula: $500 \times (\text{HS GPA}) + (\text{ACT Composite} \times 42) + 88$

Example: A student with a 2.7 HS GPA and 18 ACT Composite would use the following FI calculation:

$$\text{ACT FI} = 500 \times (2.7) + (18 \times 42) + 88$$

$$\text{ACT FI} = 2194$$

LEARNING SUPPORT PLACEMENT

Learning Support is a generic term for programs designed to assist students with collegiate work and are intended to serve students who need additional support in mathematics or English (reading/writing). The “default placement” for all students is in entry-level English and mathematics with corequisite Learning Support unless exemption criteria are met.

ADDITIONAL INFORMATION

Eligibility for admission is determined after the college or university has completed a thorough review of an applicant's admission application and credentials. Meeting the minimums provided on this document does not guarantee admission. Questions regarding admission to a specific USG college or university should be directed to the Admission Office at that college or university. General questions regarding this document should be sent to the USG's Office of Student Affairs (student-affairs@usg.edu).
